"I really enjoyed WHOLLY MOTHER JONES.her life had all the elements of both great tragedy and great triumph in helping to win major victories for workers and childrenvery well done, I loved the music..."

- Ginger Pinkard, NYC Labor Chorus

"The Wholly Mother Jones CD is wonderfully well done! The music and story fit together seamlessly...I hope there is a way to get this into the hands of union workers...it would cheer and encourage them to know this gallant 'little old lady' fighting and winning against the bosses...Bravo" - Sally Campbell, People's Voice Café

Pray for the dead, fight like hell for the living.

Mary Harris "Mother" Jones was the most remarkable woman organizer/agitator in the American labor movement.

She was born in Ireland in 1830; taught school; married; lost her husband and children to yellow fever; made dresses before becoming an organizer of coal miners at the age of 50. They called her "**The Miner's Angel.**" ... Jailed in Colorado during the Ludlow Massacre... Led a march of factory children from Philadelphia to NYC to petition President Roosevelt to stop child labor... Jailed in West Virginia at age 83, she emerged to fill Carnegie Hall! **You will find all of this, and more, in the Libretto: (\$12.95); and in the CD for WHOLLY MOTHER JONES (\$15.00).**

Your money back if you do not laugh or cry.—
